Kurt Marella

September 1, 2022

Dear Parent/Guardian,

You are cordially invited to attend the Winslow Township High School “Back to School Night” on Thursday, September 22nd at 6:30 p.m. The evening will begin with a brief presentation in the auditorium. Afterwards, you will follow your child’s schedule and visit each of their classrooms. During this time, teachers will outline course content, discuss requirements and share expectations.

I strongly recommend that you attend our Back to School Night Program. This is a great opportunity for you to meet and begin establishing a positive rapport with your child’s teachers. Please bring a copy of your child’s class schedule to assist you in locating their classrooms.

We look forward to seeing you!

Sincerely,

Kurt Marella
Principal
