

# Winslow Township High School

## Dress Code & Packing List

Students should remember that they are representatives of Winslow Township High School while in Florida and they are expected to comply with the dress code. This dress list includes clothing which will give a neat appearance while providing a maximum amount of comfort for each student.

1. All students must wear a suitable outfit on the plane going to and from Florida.
2. Please remember it may be “cold” when we leave at 2:00 am on Wednesday, but it will be warm in Florida when we land. Wear a layered outfit so that you can easily be comfortable in the cold NJ weather as well as the warm FL weather.
3. Daily activities require all students to wear comfortable clothes. T-shirts, jerseys, jeans, and shorts are going to be the most comfortable to wear as we walk around the parks and go on rides. *Any student wearing inappropriate/offensive clothing will be taken back to the hotel to change, and, if it happens often, the student will face disciplinary action.*
4. Each student may bring one large suitcase weighing 50 pounds or less, and also a personal item (purse, backpack, gym bag, etc.) to carry on the plane. The personal item must be able to fit under the seat. Personal items need to meet TSA guidelines.  
**PERSONAL ITEMS MUST BE DELIVERED TO SCHOOL WITH LUGGAGE.**
5. All approved **new & unopened medicine** should be placed in your personal bag and with the student at all times while in the airport and on the plane.
6. Each piece of luggage must be checked in at school between 6:30 am-7:00 am on Tuesday, March 31st. **Your suitcase & your carry on personal item** should be brought through the main school entrance or through the entrance in front of the cafeteria.

### Suggested clothing to pack:

At least six (6) changes of undergarments
