

DISNEY SPRINGS INFORMATION

Disney Springs is an area of Walt Disney World that has over 100 stores and restaurants, as well as other activities available. We will go here at night so that way you can get dinner, find souvenirs, and relax without waiting in lines for rides. The LARGEST souvenir store on Walt Disney World property is the "World of Disney Store" so if you need a souvenir that you saw at a park, this is the place to look.
