Dear Parents/Guardians and Students:

This letter is to inform you of the upcoming course selection process. The 2025-2026 Program of Studies will be published on our school web page under "News and Announcements". Please review course offerings in preparation for the next school year's course selection process. During this process, students will be able to preselect their courses through their OnCourse Connect Student Portal account. Below you will find an OnCourse link with video instructions on how to complete this process. Included in this mailing, you will also find a course selection sheet and our Course Schedule Planner to assist you with the preselection process. If your student does not have an OnCourse Connect Student Portal account, they can set one up on the High School website using the "Student" tab. Once in the "Student" tab, you will navigate to OnCourse Connect (Student Portal) in the drop-down box and using your students Winslow Google Account, set up the Student Portal. If you experience any difficulties, please email Mrs. Tucker to request assistance accessing the platform:

Students will be meeting with their school counselor on February 10th through March 1st during their scheduled English classes. A schedule containing the time and date for each class will be located on the school's web page. Students will be scheduled individually to meet with their school counselor to finalize their courses for the upcoming school year.

If you have any questions regarding the course selection process, please feel free to contact your counselor through email. For your convenience, we have provided their email addresses below:
