Dear Parents and Guardians of 8th Grade students,

I would like to take this opportunity to welcome our parents and students of the Class of 2029 to Winslow Township High School. This letter is to inform you that the 2025-2026 Program of Studies will be published on our school web page under "News and Announcements". Please review course offerings in preparation for the next school year's course selection process. During this process, students will be able to preselect their courses through their OnCourse Connect Student Portal account. Below you will find an OnCourse link with video instructions on how to complete this process. Included in this mailing, you will also find a course selection sheet and our Course Schedule Planner to assist you with the preselection process. If your student does not have an OnCourse Connect Student Portal account, they can set one up on the Middle School website using the "Student" tab. Once in the "Student" tab, you will navigate to OnCourse Connect (Student Portal) in the drop-down box and using your students Winslow Google Account, set up the Student Portal. If you experience any difficulties, please email Mrs. Bagosy to request assistance for accessing the platform:

Students will begin meeting with high school counselors on March 24st at the middle school. Meetings will be scheduled individually to finalize 9th Grade course selections. Individual meetings will occur during 8th Grade History classes. A schedule containing the time and date for each class will be located on the high school's web page.

Prior to meeting with a counselor, Winslow Township High School will host an 8th Grade Open House for incoming students and their parents on February 13th at 6:00PM in our auditorium. This evening will give parents an opportunity to meet staff as well as review academic programs and extracurricular activities. Enclosed please find the flyer that highlights this event.
