

AP BIOLOGY SUMMER ASSIGNMENT

- Answer the 50 review questions on lined paper. Questions focus on several key topics and concepts from your prior Biology course.
- **DO NOT TYPE OUT ANSWERS TO QUESTIONS!** Answers must be hand written.
- **DO NOT USE AI TO COMPLETE THE ASSIGNMENT!!!** The purpose of this assignment is to refamiliarize yourself with topics that will be reintroduced in AP Biology, so it is in your best interest to take the time to locate information and “brush up” on the topics.
- Due September 5th in class.
- Books will be distributed on the first day of the 2025-2026 school year.
- I will not require a specific type of notebook for the class, but you will need something to take notes in. Whatever works best for you!
- See you in the Fall 😊
