

Young Scholars,

Welcome to the AP U.S. Government & Politics course with Dr. Mathis! It is a pleasure and an honor to guide you with your AP learning journey next year! To get started, please pay close attention to the instructions and due dates for this year's AP Gov summer work. There are three requirements to prepare yourself for the work ahead.

1) Join the AP Classroom (Code Below)

2) Research to learn explicitly about each of the 27 Amendments

3) Research to learn explicitly about each of the required 14 Landmark Supreme Court Cases and complete the Annotation Guide.

The Annotation guide will be collected on the first day of school. You will be quizzed on 27 Amendments and 14 Landmark Supreme Court Cases during the first week of school.

Looking forward to doing big things together! Have an amazing summer!

Best,

Dr. Richman Mathis
