# **New Jersey Anti-Bullying Bill of Rights Act Winslow Township School District Policy #5512**

The Winslow Township Board of Education prohibits acts of harassment, intimidation and bullying of a pupil. A safe and civil environment in school is necessary for pupils to learn and achieve high academic standards. Harassment, intimidation, or bullying, like other disruptive or violent behaviors, is conduct that disrupts both a pupil's ability to learn and a school's ability to educate its pupils in a safe and disciplined environment. The New Jersey Anti-Bullying Bill of Rights Act (effective September 1, 2011) and the Winslow Township School District Policy #5512, is intended to strengthen the standards and procedures for preventing, reporting, investigating and responding to incidents of harassment, intimidation and bullying.

The Anti-Bullying law and district policy will be strictly enforced. All staff, students and parents are encouraged to familiarize themselves with the law/policy and support the efforts of the school district for implementation.

<i>Mid-Marking Period</i>	October 11, 2018	January 10, 2019	March 13, 2019	May 20, 2019
<i>Marking Period End</i>	November 16, 2018	February 4, 2019	April 10, 2019	June 19, 2019*

**\*If it is necessary to close school for any emergencies, days will be made up at the discretion of the BOE. The school calendar will reflect 180 days for students and 185 days for staff.**

## ACADEMIC PROGRAMS

The programs that individuals pursue in high school should reflect their aspirations, aptitudes and achievements. Because individuals differ, programs, too, must differ. Since post-high school requirements for employment, college, or vocational-technical training are constantly changing, students must frequently reevaluate themselves in terms of their immediate and long range goals.

The courses at Winslow Township High School provide students the opportunity to meet their educational needs in accordance with their individuality and desired career path. Beyond the state or local requirements, students are encouraged to select courses that best match their potential and aspirations. **Members of the school guidance and counseling staff are available to discuss a student's program as often as necessary. Students must make an appointment in order to be seen.**

A complete listing of the academic programs, course levels and grouping, requirements for graduation, and the procedures for academic progress reporting are contained in the Winslow Township High School "Program of Studies" booklet. Please refer to the booklet for additional details.

### Student Schedules

Winslow Township High School provides a comprehensive master schedule based on student requests. Students are expected to honor their commitments to their course selections. Individual schedules are formulated to best meet the academic needs of students. For that reason, schedule changes will only be considered for academic reasons. (Refer to the Program of Studies booklet for clarification.) Students who need a

schedule change must complete a course request change form and submit it to their counselor, who will follow-up with the student and discuss options.

### Grading System

Although grades should not be regarded as ends in themselves, they do reflect how well students are progressing in their studies from Marking Period to Marking Period. Parents and students are urged to study the report card carefully, noting all explanatory material. Additionally, in order to receive credit for a course, students must satisfy both academic and attendance requirements. If parents have any questions concerning the progress of a student or any questions concerning the student's overall adjustment to the school, they should call the Guidance Office. **The letter and numeric equivalents for student grades are:**

<b>A - 100 - 92</b>
<b>B - 91 - 83</b>
<b>C - 82 - 74</b>
<b>D - 73 - 65</b>
<b>F - 64 or below</b>

The student's final grade will be computed as follows:

The total of four marking period (MP) grades plus the average of midterm and final divided by 5. Example: MP1-80, MP2- 60, MP3- 74, MP4-90 = (304); Midterm -80, Final-70 = (75); Average of MP 304 plus average of mid and final (75) = 379 divided by 5 = 75.8

\*Midterm = Unit Test 1 + Unit Test 2

### Advanced Placement (AP)

Students enrolling in an advanced placement course must earn a grade of 85 or better in a previous honors course, in the appropriate course sequence, or secure a teacher recommendation in the same subject area. Students may not enroll in an Advanced Placement Course after the first ten (10) school days. Students wishing to enroll in an advanced placement course coming from a college prep level course must have achieved a minimum grade average of 92 in that subject. Entry into an AP course in the English department requires enrollment in a prerequisite honors level course. Students enrolled in an AP course are expected to take the AP examination corresponding to the course in which they are enrolled in order to receive advanced placement weighting. Those students that do not take the examination will receive the weight of an honors level course. **Students are responsible for the cost of the AP examinations. However, a student who earns a score of 3, 4 or 5 may be reimbursed for each exam on which they earn that score. Students earning a 3, 4 or 5 should make a written request for reimbursement to the Office of the Assistant Superintendent. Included in this request should be a score sheet, indicating a score of 3 or higher and proof of payment. All request should be submitted no later than September 30th of the following school year.**

### Early Graduation

To be considered for early graduation, students must complete the following:

Fulfill all requirements for graduation, develop and submit an acceptable post-high school plan, provide written parent approval, and submit a written request to the Principal at the beginning of the sophomore year.

Early graduation requests are subject to a review by the school counselor and principal. Final approval rests with the Superintendent of Schools.

### Parent - Teacher Conferences

December 4<sup>th</sup>, 5<sup>th</sup> and 6<sup>th</sup>

Parent-teacher conferences provide an opportunity for the teacher and parent to develop a mutual understanding of the student's growth and development and to exchange valuable information that may help the student realize his/her fullest potential. Parents should call the Guidance Office to arrange such meetings.

### Test Dates

Various tests are administered during the course of the school year. Students are encouraged to perform to the best of their ability in order that accurate assessment of their progress can be determined.

### Obtaining School Work When a Student is Sick\*

If a student is absent for three consecutive days, but the student is able to do school work at home, parents should contact the Guidance Office to arrange for pick-up of assignments. At least 24 hours' notice should be provided to enable the office to contact the

student's teachers and to receive assignments. We also suggest using a "buddy" system. It is helpful to obtain the phone number of a classmate to ascertain homework and details of class activities in the event absences are less than three days.

### Obtaining School Work When a Student is Suspended Out of School\*

If a student is suspended out of school (OSS) for four(4) or more days, **parents should contact the Assistant Principal's Office to arrange for pick-up of assignments.** At least 24 hours' notice should be provided to enable the office to contact the student's teachers and to receive assignments.

*\*With the exception of alternate arrangements made by administration, students are allotted an equal amount of days as the verified absences / suspensions days to make up missed assignments .*

### Homebound Instruction

In the event of an extended medical absence (more than two weeks) homebound instruction can be requested, with no cost to the family. Parents/guardians are asked to comply with the following guidelines should their child require this service:

1. Contact the child's school counselor to apprise him/her of the child's status.
2. Submit a note to the Principal's Secretary stating that the child is in need of Homebound Instruction.
3. Complete the home-bound instruction and medical release forms.
4. The parent/guardian and the child's physician must complete the required

information. The form may be picked up and returned to the Main Office.

### **Withdrawal from School**

Should a parent/guardian have cause to withdraw their child from Winslow Township High School, the following guidelines should be observed:

1. Report to the Main Office to sign the following forms: Notification of Student Withdrawal, Request for Student Records, and Withdrawal Checklist.
2. **Before the child's final day at WTHS**, he/she is to obtain a withdrawal checklist from the office. The student must present the 10 checklist to each of his/her current teachers, coaches, the Library and the Assistant Principal for a grade and/or obligation update.
3. **On the student's final day at WTHS**, he/she is to submit the completed Withdrawal Checklist to the Main Office. If all signatures are not obtained, NO records will be released.

### **Change of Telephone Number or Address**

When a student's home telephone or emergency telephone number is changed, the parent should immediately notify the Main Office to ensure that the school records are accurate. In the case of a change of address, ***a parent or legal guardian must register the new address providing proof of residency at the attendance office in the High School.*** The attendance office is located in front of the auditorium.

### **Health and Medical Services**

A Certified Registered Nurse is on duty throughout the school day. Students must visit the nurse's office when they are ill after obtaining a pass from the classroom teacher.

Students must never stay in the lavatory or leave school early because of illness; they must always report to the nurse's office.

Students too ill to remain in school are sent home. Students who drive a car to school may not drive the car or have another student drive for them, if the nurse determines that the student is too ill to drive. A parent must make arrangements to take the student home or to get medical attention.

First aid is given in emergencies by the school nurse. If the situation requires more than first aid, the nurse will make every effort to contact the parent and arrangements will be made to transport the student to the nearest emergency facility.

By state law, all participants in athletics are examined by the school physician at announced times before they may practice or participate in interscholastic sports.

The nurse keeps complete health records for each student, including health appraisals, vision/hearing tests, and telephone numbers (home numbers, emergency numbers, and parents' business number). ***New Jersey law***

***provides that all students new to WTHS shall be tested for tuberculosis.***

## **MEDICATION**

All medications whether prescription or over the counter shall be brought to the nurse's office by the parent or guardian. Student, regardless of age may not carry medicine to school. All medications must be registered with the school nurse before the opening of school that day. A daily log will be kept of those students. In addition, medication must be taken in the medical office and given only by the nurse. Written instructions are to be provided to the school from the private physician, detailing the type of illness involved, the name of the drug, time of administration, and the side effects for all prescription and non-prescription (over-the-counter) medications. No medication whether prescription or non-prescription (including aspirin or acetaminophen) will be administered without a doctor's AND parent's note. Students that do not adhere to medication policy will be subject to discipline code 300 and/or 310.

**Prescription drugs** must be in the original container and appropriately labeled by the pharmacy or physician. Over-the-counter drugs must be brought in the original bottle from the manufacturer.

Students with life threatening medical illnesses such as asthma, allergic reactions that require the use of epinephrine and diabetes will be permitted to self-administer medications. Self-administration for such life threatening illness will only be permitted

with written certification from a physician as well as the parent or guardian.

## **Medical Excuse - Physical Education**

All gym excuses, whether notes from parents or physicians, must be presented to the school nurse before the start of first period. The nurse will assign the student to a study hall when necessary. Students with life threatening conditions must submit the appropriate medical paperwork and clearance to participate in physical education, sports and other school activities.

## **Accidents/Injuries**

Each accident and/or injury occurring in the school building, on school grounds, at practice sessions or at any school sponsored event must be reported immediately to the person in charge and to the Nurse's Office.

## **Working Papers**

"Employment Certificates" (working papers) are required for employment of any minor up to 18 years of age in any occupation except for work in agriculture, theatrical and newspaper distribution trades, for which special permits are required up to 16 years of age. Working papers for all other general employment can be obtained in the Main Office. Before returning forms to the Winslow Township High School Main Office, students must complete sections A-C; bring a proof of the student's age (see section D on form); and bring proof of a physical exam from their family physician or prior sports physical. ***All students seeking work must have a Social Security Card / Number.***

## Telephones

No student will be called to the office for telephone calls during school hours. Messages will be delivered to students only in the case of an emergency. Arrangements for rides, appointments, and personal business should be arranged before leaving for school.

## Textbooks

Textbooks are on loan to all students for all subjects. If a book is damaged by a student, a fine will be charged in proportion to the extent of the damage and the replacement cost of the book. If a book is lost, the student will be charged current full replacement value. No marks are to be made in the books. All books are expected to be covered at all times. Book fines must be paid immediately or your student will be removed from all extracurricular events held at the school.

## Book Bags and Lockers

Book bags may be used to carry belongings; clear or see through bags are preferred. Lockers are assigned to students at the beginning of the school year for their individual use and storage of books and clothing. **Valuables, including a sizable amount of money, should never be left in hall or gym lockers.**

Students are reminded that all lockers are school property and, as such, may be searched at any time by appropriate school personnel.

***Consequently, students should have no expectation of privacy with respect to school lockers. Anything found in the locker will be the responsibility of***

***the student to whom the locker is assigned.***

The following are guidelines for use of lockers:

1. WTHS is not responsible for the loss of any contents of the locker and cannot be held liable for reimbursement.
2. Any problems with the operation of the assigned locker should be immediately reported to the Main Office so that the problem can be corrected.
3. Locker combinations should not be given to friends; lockers are assigned to individual students. **STUDENTS ARE NOT PERMITTED TO SHARE LOCKERS.**
4. Students will be held responsible for any damage to their assigned locker.
5. All materials are to be removed from the locker by the student prior to the closing of school in June; materials left in the locker will be discarded when the custodians clean the lockers.
6. Students are not permitted to loiter in the hallways or in front of lockers.
7. Use of lockers will not be accepted as an excuse for lateness to class.

## Computers and Technology

The schools of Winslow Township provide Internet access for all students, faculty and staff. The use of an Internet account as well as other communications technologies is a privilege, not a right, and inappropriate use will result in disciplinary action by school officials and/or the cancellation of those privileges.

A student's activities while using the communications technologies in this school system must be in support of

education and research, and consistent with the educational objectives of the District. The use of proxy servers to access blocked or non-educational websites is prohibited. In addition, a student accessing the Internet or using other communications technologies at a school site is responsible for all activities that take place through their use. When using another organization's networks, computing resources or other technologies, students must comply with the rules appropriate for that technology. The altering, deleting, and/or destruction of hardware or software will be viewed as destruction of school property and disciplined as such. (See Discipline Code) Students and parents will be asked to read the guidelines for using District communications technologies and sign them, indicating acceptance of the rules and their intention to abide by them.

Students understand they may not use the Internet for placing or receiving unlawful messages; for non-school-related activities; for purchasing or other commercial purposes unless part of a classroom activity; for political lobbying unless part of a classroom activity; for altering any computer file that does not belong to the user; sending or receiving copyrighted materials without permission; using another person's password or access account; sending or retrieving pornographic material, inappropriate text files or files dangerous to the integrity of the network, just to name a few of the most important.

## **STUDENT ACTIVITIES**

The Board of Education recognizes that the primary responsibility of the school district is to educate students to their maximum potential. Although academic programs are the first priority, student co-curricular activities are an important part of the total learning experience. Co-curricular activities are defined as follows: all interscholastic sports programs and all non-athletic co-curricular organizations and activities.

### **Clubs/Organizations/Activities**

A wide variety of clubs and other student organizations are available to Winslow Township High School students to supplement the curriculum and to satisfy the diverse interests of students. Students are asked to become involved at the beginning of the school year. All activities are open to all students. It should be noted, however, that participation in special extracurricular activities such as field trips, class trips, junior-senior prom, and commencement is contingent upon, but not limited to, adequate, timely daily attendance and acceptable conduct.

**Any member of a club or activity will be subject to a re-admittance hearing after any suspendable offense.**

### **Student Council**

Student Council is the high school student government organization. The Council provides students with opportunities to display their leadership skills. In planning and implementing various Student Council activities, students learn organizational skills and

responsibilities that have value throughout life.

Officers are elected each year from the general student body memberships in grades 9 - 12. Officers are elected in the spring to serve for the following year. Representatives are elected each September and serve for the entire school year. Any member of the student body in good academic standing may run for Student Council office or Representative.

### **National Honor Society**

A cumulative weighted grade point average of 3.6 is necessary for a student to be academically eligible for membership in the National Honor Society. A student must also demonstrate that he/she qualifies in terms of leadership, service, and character. Membership in the National Honor Society is limited to students in the 11th and 12th grades. Membership in the National Honor Society requires that a student who is invited to membership provides factual evidence that the candidate possesses leadership qualities, has performed acts of service and possesses excellent character according to the standards set by the National Honor Society and Winslow Township High School Code of Conduct. Students must participate in at least one school and/or community related activity each year in grades 9-12.

***No student has a "right" to be selected for membership in a chapter of the National Honor Society (National Honor Society Handbook) based solely on grade point average.***

### **Renaissance**

Renaissance is a program designed to recognize, reward, and motivate our students who excel in three specific areas of achievement, **academics, attendance, and behavior** by extending to them privileges associated with the attainment of these levels of excellence. In addition, students are expected to participate in school or community activities. Students are recognized for participation in the Renaissance Program each Marking Period. Our goal is to make each student believe they can succeed in school and, therefore, in life. The purpose of the program is to recognize and reward those students who achieve specific standards of excellence with tangible incentives and rewards. Renaissance is a partnership between the students, teachers, parents, administration, business community, and the community at large. Renaissance is a commitment to make Winslow Township High School a center of academic excellence.

### **Renaissance Requirements**

**ATTENDANCE**

Students who are legal residents of Winslow Township are eligible to register to attend Winslow Township School District.

The Board of Education requires that pupils enrolled in the schools of this district attend school regularly and in accordance with the laws of the state. The educational program offered by this district is predicated on the presence of the pupil and required continuity of instruction and class participation. Pupils absent from school for any reason are

responsible for the completion of all course assignments missed resulting from their absence.

Students in grades 9-12 shall suffer **loss of credit for absence from school for more than 16 days for a full year course, 8 days for a semester course, and 4** given to any pupil, and to the parent or guardian of any minor pupil, who has been absent more than 4 days in a semester, excluding any absence attributable to disciplinary suspension.

For attendance purposes, a student is either present, absent, excused for religious observance, or is receiving home instruction on days that school is officially open. **An excused absence is for religious observance only and does not include illness, quarantine, suspensions, employment other than school approved work assignments, performance of baby-sitting duties, extended family vacations, homelessness, or other prolonged absences.** A student, who is verifiably absent for one of the reasons listed above, is absent, but with reason.

A **“verified absence”** is a pupil's absence from school for full day, or a portion of a day and is not considered to be truant. **However, a verified absence is still considered to be an absence from school and counts towards the allowable total of 16 days.** Absences for the following reasons may be verified by timely written notice/ documentation from the parent or guardian, physician, or adult pupil: pupil illness, death or critical

illness in the immediate family, quarantine, job or college interviews, examination for a driver's license, medical or dental appointments that cannot be scheduled at a time other than during the school day. **Physician's statements not submitted at the time of the pupil's return to school will not be accepted as verification of absence.** In cases of absence due to extended illness, as documented by a physician's statement, sufficient opportunity shall be afforded the student to make up work missed. In general, following return from an absence, pupils will be allowed one (1) school day to make up missed work for each one day of absence. **The pupil is responsible for requesting missed assignments and any assistance required.**

**Any student who is repeatedly absent from school without verification shall be deemed truant.** A student will also be considered truant if he/she leaves school, **at any time**, without permission when school is in session, **leaves class, at any time** due to illness and does not report to the nurse as directed, or **is present in school, but absent from class (including lunch) without approval. Such truancy is a "class cut"**. These non-verified absences from school, or from classes within the school day, constitute truanies and shall be subject to the disciplinary rules of the Board in accordance with the laws of the state. **Repeated truanies may result in the suspension or expulsion of any pupil over sixteen years of age.**

An obvious consequence of absenteeism is the inability of the student to keep up with the class work and assignments, resulting in possible course failure. Excessive absences may result in a grade of Incomplete. A grade of Incomplete will only be considered when work is missed due to verified acceptable absences. Students are expected to make up all work necessary to resolve incomplete grades within 10 school days after the close of the Marking Period. Unresolved Incompletes will automatically turn into a grade of 50 for the first three marking periods.

#### **General Attendance Guidelines**

Absences not verified by phone or in writing will be considered truanies until the parent/legal guardian/adult student explains that absence in writing.

- Doctor's notes are required when a pupil is absent for 5 or more consecutive days due to illness. Students returning from absences due to communicable disease must present to the school nurse written evidence of being free from communicable disease, provided by a physician or medical practitioner.
- Doctor's notes not submitted within ten (10) days of the pupil's return may not be accepted as proof of absence due to illness.

- It is the student's responsibility to request missed assignments and any assistance required.
- **Students in grades 9-12 will be denied course credit if they are absent more than 16 days in a full year course, more than 8 days in a semester course, or more than 4 days in a quarter course.**
- Students at risk for receiving no credit due to acceptable verified absences may be permitted to complete course requirements, provided the student is passing the classes academically, and that the verified absences for reasons of extended periods of illness do not exceed 24 in any one school year. Credit completion must be done March 1<sup>st</sup> through June 1<sup>st</sup>. The student must work with the guidance counselor and or building administrator to see if they qualify for credit completion.
- Students who transfer to Winslow Township High School during the school year will have their previous school's attendance record included in the allowable total.

- The awarding of high school credits shall be contingent upon satisfactory attendance.
- In instances of excessive absences, warning letters will be given to students, parents or guardians. Conferences, home visits, and possible legal actions (appearance in Municipal Court) may be taken to stress the importance of regular and timely attendance

School is a place where students not only learn about the rights and responsibilities of citizenship, but also gain valuable experience in appropriately exercising them. It is important to maintain a balance between rights and responsibilities in order to ensure a school environment conducive to learning.

Each student is guaranteed the right: to be heard; to have fair and consistent rules; and to due process procedures. The student rights are accompanied by student responsibilities: to attend school and classes regularly; to respect school property; to refrain from conduct that disrupts or threatens to disrupt the learning of other students.

The administration, through the Superintendent or his designee, and/or the Board of Education, reserve the right to follow different courses of action other than those listed. These courses of action may include a review and/or hearing by the Board of Education.

### **Three Suspension Rule:**

A student who is suspended three (3) times during the school year will be excluded from participating in **Commencement / Graduation Exercises, Prom, athletics, and all co-curricular activities including school dances and class trips.**

The administration of Winslow Township High School recognizes the seriousness of the forfeiture of the aforementioned activities, and acknowledges that all violations of the Code of Conduct are not equal.

**Thus, a student's first two (2) In-school suspensions (ISS) will equal one (1) Out-of-school suspension. All subsequent In-school suspensions (ISS) will carry the weight of (1) Out-of-school suspension.**

Note: A parent/guardian has a right to appeal an administrative action through the office of the Principal within ten (10) days of receiving notification of the third suspension.

# PARENT ASSURANCE OF THE BEHAVIORAL CODE

This certificate assures the Winslow Township High School Administration that I have read, understood, and discussed with my child the school's expectations for student behavior while in school, at the bus stop, on the bus and at school functions as outlined in the Student/Parent Handbook. It is understood that student behavior should support student learning and maintain a peaceful and congenial atmosphere in the school.

I also understand that misbehavior, disruption to the school day or harm to others will result in consequences as outlined. The consequences will be in line with the misdeed to encourage more responsible conduct and behavior by the student in the future.
